Kim is sick again

I am always sick and I don't understand why! I eat pretty healthily. I drink coffee with three spoonfuls of sugar in the morning to give me energy. I also have chocolate cereal and milk.

At lunch I usually eat fried chicken and drink a cola around the corner from the office. Then I have some ice cream for dessert because dairy is good for you.

For dinner I eat pizza. Pizza has lots of tomatoes. They're vegetables, right? It doesn't make sense!

Kim is sick again

I get enough exercise too. I take the stairs every day to my first floor apartment unlike my lazy neighbour, who always takes the lift!

I'm a member of the gym too and I go nearly every month. They have the best hot chocolate in the café!

And I get lots of vitamin D! I go to the solarium three times a week and use the sun bed for an hour each time!

I just don't get it... What could I do differently? Help!
